

A talk session on "Photography and Movie-Making" with Mr. Sunil Adesara

On 8th July 2017, a talk session on "Photography and Movie-Making" with Mr. Sunil Adesara was organized by the students of 2nd year computer engineering. Mr. Adesara introduced students to various basic aspects of photography and its hardware. The talk was very interesting and generated a lot of interest from the students. 31 students attended the talk and agreed to do the "assignment" by way of making photographs on "Childhood" and "Friendship". Prof. N M Patel and Prof. S A Bakhru guided the activity.
