The Civil Engineering Department, in collaboration with the **IE(I) Students' Chapter – Civil** and sponsored by **BVM Alumni Association**, organized a highly informative Technical Site Visit to the **"Building Materials & Start-up Exhibition"** in Gandhinagar. This event catered specifically to third and fourth-year students of Civil Engineering on 27th January 2024.

The day commenced with all students and faculty members gathering near the BVM Front Gate at 7:00 am. A hearty breakfast was enjoyed before the departure of the bus, ensuring a timely arrival at the HBLF SHOW – 2024 at the Helipad Exhibition Center in Gandhinagar by 10:00 AM.

Students underwent an extensive exploration of various civil engineering facets, including flooring, fixtures, fastening, plumbing, carpentry, and hardware. The event facilitated meaningful interactions with participating brands, providing a hands-on understanding of the latest trends and technologies in the industry.

Exhibition Highlights:

There are many vendors like Solgen Enterprise, R1 Rank Architectural Solution, Spider Locks & Accessories, Viral Builder's Hardware Fittings, Godrej Locks & Architectural Fittings, iTek, Olive, Konark Locks & Hardware, and many more.

- Hardware: Architectural Hardware, Bathroom Accessories, Door & Window Fittings, Door Locking System, Railing Solutions, Aluminium Section.
- Building Materials: WPC & UPVC Door & Window, Ceramic & Tiles, Sanitaryware, Elevators & Escalators, Cement, Paints, TMT Bars, Solar Systems, Pumps & Valves, Pipes & Pipe Fittings, Electrical & Electronics, Water Tank & R.O. Systems, Construction Chemicals, Roofing.
- Laminates/Lighting: Decorative Laminates, Louvers & Decorative Products, Veneers, Plywood, Decorative Flush Door, Lighting/Switches.
- Furniture: Modular Furniture, Adhesives, Mattresses, Furnishings, Wooden Flooring.
- Modular Kitchen: Modular Kitchen, Kitchen Accessories, Kitchen Appliances.
- Art: Painting, Photography, Sculpture, Installation.

After visiting the exhibition, we continued our visit to Dandi Kutir, offering a historical immersion into the architectural marvel and life of Gandhiji. This was presented with modern technology in an interactive, immersive, and spellbinding experience. Students witnessed 360-Degree Insights into Gandhiji's Life, experienced Gandhiji's Historic Journey in 3D Splendour, and embarked on a Visual Odyssey of Gandhiji's Journey with 3D Mapping.

Program Outcome:

The day concluded with students returning to the college, followed by a shared dinner. The HBLF EXHIBITION - 2024 not only enhanced the technical understanding of the students but also strengthened the bonds among future civil engineers. The event successfully combined education, exploration, and historical immersion, creating a memorable and enriching experience for all participants.

Students also gained insights into B2B interactions with clients and learned about aspects of architecture, as well as marketing strategies for their products. The visit to Dandi Kutir provided a profound understanding of Gandhi's life, contributing to the overall educational and cultural enrichment of the participants.
