Overview:

The program started with the opening speech of Dr. H. J. Chauhan sir. He provided brief information about the expert speaker Prof. Mukesh Rai and his professional background to the students. After which the main speaker Prof. Mukesh Rai was welcomed by Dr. D. S. Modi and his teammate was welcomed by Dr. H. J. Chauhan.

After the session began the speaker asked some few questions to the students related to their placements and job expectations. Few of them were “How many of you can get job in the 7th semester?” , “How many of you can get job of at least 55K per annum?”

After asking the questions he started explaining and providing information about the importance of GATE examination, benefits of its preparations along with details. Apart from GATE he also provided the information about CAT, GRE and GPSC examinations.

His main focus was on emphasizing about GATE preparations and how it could lead to better future as far as job and placement opportunities are concerned. During the session he also mentioned the success stories of students of BVM who had appeared for GATE and got hired by some of the prestigious industries including IOCL, Zydus, ONGC etc.

He also explained that by preparing for GATE one could easily clear the SSCJE and also could qualify GPSC class2 and class3 examination as an engineer. He also explained the students that after preparing for GATE examinations one can easily join PSU as well as can register themselves for masters degree from IIT which is a dream of many. He also explained the syllabus and weightage criteria of the different subjects.

Conclusion :

Overall it was an interactive and informative session and it also helped the students to get a clear vision and perspective about their future pertaining to further studies and job. The session ended at 12:30 pm and refreshments were provided to the students. Dr. H. J. Chauhan sir expressed his heartfelt gratitude to the experts and the session ended.
