Description:

IE(I) Students' Chapter Civil of Birla Vishvakarma Mahavidyalaya Engineering College organized a session on road safety awareness program in BVM auditorium on 5th August 2023 from 10:30 am to 01:45 pm. The beneficiaries of this visit were 2nd, 3rd & 4th year students and BVM faculties. Students and faculty members assembled in BVM auditorium at 10:15 am and session was started at 10:40 am.

Dr. Indrajit Patel (principal of BVM) welcomed RTO officer R.M. Chaudhary sir & Dr. S.D. Dhiman (HOD civil engineering department) welcomed Prof. Rena mam with a sapling. After that our principal Dr. Indrajit Patel sir addressed the students. He shared his views on Road accidents & safety and also gave some examples. Sir also urged everybody to take care while driving or using road & reduce the chances of accident.

Then HOD S.D. Dhiman sir addressed the students & share his views on road safety awareness program.

Prof. A.N. Bhavsar sir took command of the session. He thanked BVM alumni association & IE(I) students' Chapter -Civil for arranging and organizing such events for students.

After the opening ceremony, the RTO officer **R.M. Chaudhary sir** presented a comprehensive PowerPoint covering various aspects of road safety, including the 4Es of road safety. He highlighted alarming statistics of 1.35 million road-related deaths worldwide each year, with road accidents being the 8th leading cause of death, especially among pedestrians, cyclists, and bikers. On an average, 1130 accidents and 422 deaths take place every day or 47 accidents and 18 deaths every hour in the country. Every four minute, one person is died in India because of a road accident (As per MORTH, 2021). Gujarat alone witnessed 7500 deaths per year due to road accidents. Accidents, fatalities have been Increased dramatically over last 20 years about 5 % growth rates over last two decades.

Sir elaborated on the causes of road accidents such as not wearing helmets for the majority of cases, over speed, drink & drive, using mobile phones on road & many more., as

well as issues like seat belt usage, blind spots, emotional driving, carelessness. Out of all 2070 are only two-wheeler fatalities.

Prof. Rena Shukla mam then provided detailed information on the types of accidents - fatal, major, minor and damage levels - along with their respective causes and effects on personal & society. She emphasized the significance of zebra crossings, particularly during night-time and discussed the dangers and punishments related to drink and drive incidents. Mam suggested that unsafe driving conditions and scenarios were thoroughly examined & problems are to be solved as soon as possible. Mam also addressed new technologies, rules, and regulations pertaining to road safety as well as the importance of road signs and precautions for road safety.

The closing event was conducted by **Prof. A.N. Bhavsar sir** and **Prof. N.F. Umrigar sir**, followed by a vote of thanks from **Prof. Pinakin sir**. The event concluded with a photo session and refreshments to end on a positive note.

IE(I) Students' Chapter Civil is thankful to Principal **Dr. Indrajit Patel**, Head of Civil engineering department **Dr. Sanjay Dhiman**, **Prof. Amit Bhavsar** and **Prof. N.F. Umrigar** for their constant support.

Outcomes:

- ❖ Session on “Road Awareness Program” has provided crucial information about the high number of accidents occurring worldwide and in India as well.
- ❖ Known the vital causes of these accidents include speeding, reckless driving, driving under the influence, distracted driving, and poor road conditions.
- ❖ Learned how to implement these road safety measures, which is essential to create a safer environment for all road users and society as a whole.
