

My Dear Students.....

I feel Excited, Happy and Cheerful in welcoming you all to **Charutar Vidya Mandal's Birla Vishvakarma Mahavidyalaya**, The first Engineering College of Gujarat State, First Engineering College with NAAC accreditation, First Autonomous Engineering College of the state, Established by the visionary Leader Ironman of India, Bharat Ratna and the Son of Soil Shri Sardar Patel Saheb through the generous donation by Sheth Shri G D Birla and KarmYagn by visionaries Shri Bhaikaka and Bhikhabhai Saheb, followed by Dr H M Patel, Dr C L Patel and the Present Leader Shri Bhikhubhai Patel Chairman Charutar Vidya Mandal and our own prideful alumni of civil-1974. Since foundation on 14th June 1948 we work with the moto: "Work is Worship" at the institute with Strong Historical Values, Sustained Legacy & Add on Success Stories. We work with the vision: **"Produce Globally Employable Innovative Engineers with Core Values."**

It is with great pleasure and excitement that we greet you as the newest members of our engineering family. **Today marks the beginning of a transformative journey that will shape not only your careers but also your perspectives, your problem-solving abilities, and your approach to life.**

As you step onto our campus, you are not just entering a place of learning; you are becoming part of a community that is dedicated to innovation, collaboration, and excellence. Our faculty are not just instructors; they are mentors, researchers, and industry leaders committed to guiding you through your academic and professional journey.

The engineering program you are about to embark upon is rigorous and challenging, designed to push you to your limits and help you realize your potential. **You will be exposed to cutting-edge technologies, ground breaking research, and opportunities to apply your knowledge in real-world settings. The skills you acquire here will not only make you proficient engineers but also critical thinkers and innovators ready to tackle the global challenges of tomorrow.**

But remember, this journey is not just about academics. It's about growth in every sense. Engage in extracurricular activities, join engineering societies, participate in hackathons and competitions, outreach activities, sports, cultural activities and make the most of the resources and networks available to you. The friendships you form and the experiences you gain outside the classroom are equally valuable to make yourself a socially responsible citizen along with industry ready graduate..

We understand that the transition to university life can be daunting, but know that you are not alone. We have a robust support system in place, including academic advisors, peer mentors, and counselling services, to help you navigate this new chapter of your life.

In closing, I urge you to be curious, be resilient, and be open to new experiences. The path ahead may be challenging, but it is also incredibly rewarding. We are here to support you every step of the way and are confident that you will achieve great things.

Welcome once again to Birla Vishvakarma Mahavidyalaya your Home away from Home. I on behalf of BVM family wish you all the best to achieve your dreams, meeting parent's faith and hopes, addressing Nation Building through societal upliftment.

Will continue to share about the legacy of BVM Engineering College in day to come.

Thank you for having faith in Birla Vishvakarma Mahavidyalaya.

God Bless You All.

Prof. (Dr.) Indrajit Patel
