Report on Mock Placement Procedure

The Training and Placement Cell, Electrical Engineering department of BVM Engineering College organized a whole process of the Placement Procedure followed by most of the companies coming on campus for recruitment. It included three stages, first being the aptitude test followed by two sessions on Interview Skills and Resume Building and the last step was the Online Interview conducted through the medium of Google Meet.

The details of the same are mentioned below:

Sr No.	Event	Date	Participants
1	Aptitude Test	29 th June 2020	260+
2	Webinar on Resume Building	30 th June 2020	150+
3	Webinar on Interview Skills	2 nd July 2020	120+
4	Online Interview	11 th and 12 th July 2020	12 (From Electrical Engineering Department)

Aptitude Test:

The Aptitude test was held on 29th June 2020 and was attended by 260 students across all the departments of the BVM Engineering College in which 34 students participated from Electrical Engineering Department. The Aptitude test was designed in such a way that it covered all the important topics. The students were given exposure to different and new concepts which were unknown to many of them.

Webinar on Resume Building:

A webinar was conducted on 30th June 2020 which focused on building a presentable resume which is a very important aspect of the placement procedure. The webinar was conducted by Mr. Vipul Mali, Founder and Business Head of Post A Resume. The webinar included the basic details which must be included in a good resume and also the skills to improve your resume and make you stand out in a mass. In all a total of 150+ students took the opportunity of attending the webinar.

Webinar on Interview Skills:

A webinar on how to crack an interview was held on 2nd July 2020. The session was conducted by Dr. Ankita Singh, Senior Vice President & Global Head HR of It, Travel and Admin, CIGNEX Datamatics. A total of 120+ students participated in the webinar. The students were given

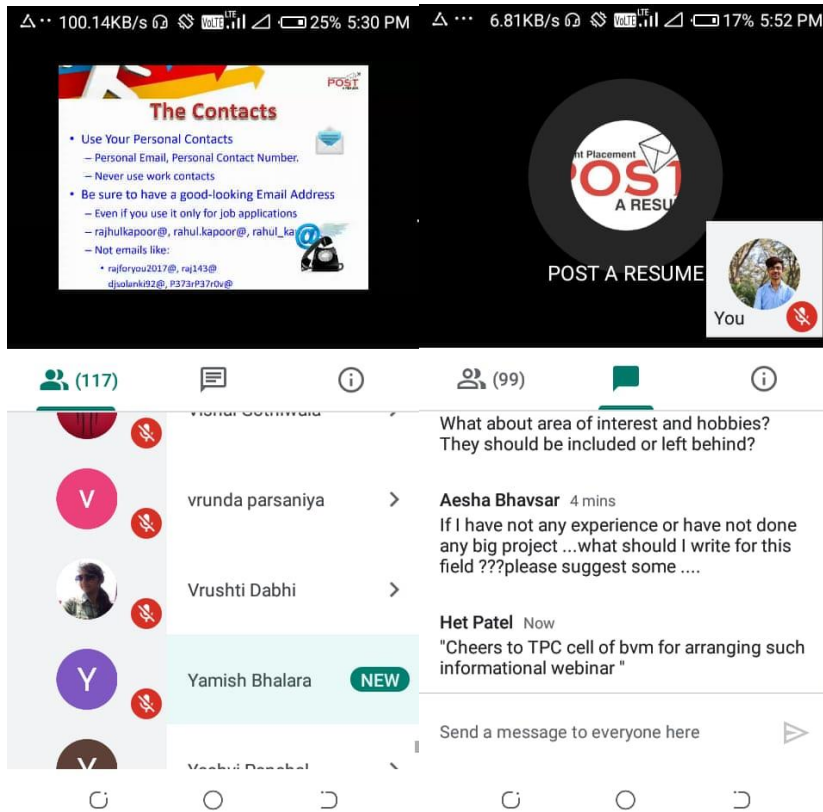

knowledge of approaching any interview and also about the minute details which are essential in an interview.

Online interview:

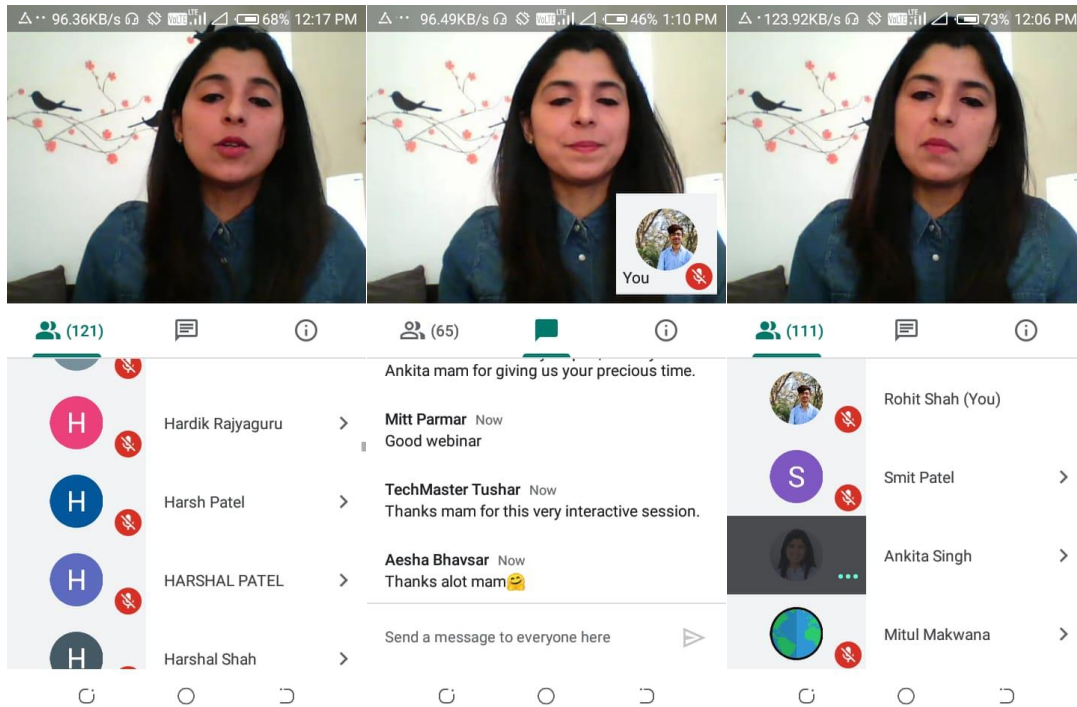

Online Interview of all the students of Electrical Engineering Department who passed the aptitude test was held on 11th and 12th July 2020 through the medium of Google Meet. Prof. M.N.Sinha of Electrical Engineering Department conducted the interview on both the days by taking time out of his busy schedule. In all 12 students appeared for the interview. The students were judged on different criteria which are must in an interview. The students were given a proper feel of appearing in an interview which had technical as well as HR questions.

In all it was a great experience for the students as they got a real time experience of the placement procedure before they appear for it in any upcoming companies.

Congratulations

Dear Vatsal Patel,

Congratulations!! We are thrilled to inform that you have been selected for the position of **Business Development Associate** at **BYJU'S – The Learning App**.

BYJU'S is world's most valuable ed-tech company and the creator of India's most personalised K12 learning app which offers highly adaptive, engaging and effective learning programs for students in classes 4-12 (K-12) and competitive exams like JEE, NEET, CAT, IAS, GRE and GMAT. Launched in 2015, BYJU'S has become the most loved and preferred learning app for students across age groups.

Started by teacher and visionary, Byju Raveendran and his top set of students, BYJU'S aim is to make quality learning accessible, effective, and personalised for everyone. The BYJU'S way of learning provides students a learning platform where they can learn, engage and be excited about charting their own path to discover the world. The learning app brings together the best teachers, technology, content, media for creating a seamless, world-class learning experience for each and every type of learner. Today, BYJU'S has over 33 million registered students and 2.2 million annual paid subscriptions. With an average time of 64 minutes being spent by a student on the app every day from 1700+ cities, the BYJU'S app is making learning enjoyable and effective.

Delivering world class learning experiences, BYJU'S is making learning contextual and visual, and not just theoretical. The app has been designed to adapt itself to the unique learning style of every student, as per the pace, size and style of learning. The learning app is paving the way for new-age, geography-agnostic learning tools that sit at the cross section of mobile, interactive content and personalised learning methodologies.

Till date BYJU'S has raised over USD 700 million from a strong and diverse investor set like - Chan-Zuckerberg Initiative, Naspers, CPPIB, General Atlantic, Tencent, Sequoia Capital, Sofina, Verlinvest, IFC, Aarin Capital, TimesInternet and Lightspeed ventures.

At BYJU'S, we are driven by the motto to encourage students to learn on their own and keep their child-like curiosity alive. So get ready to be a part of the growing family at BYJU'S and be a **BYJU'ite** officially. We hope your journey with us takes you to greater heights creating the best of memories and milestones along the way.
