BVM Alumni Association

Report of the Hon. Secretary for the Year 2019-20

Dear Alumni

Greetings of the day from Team BVM Alumni Association !!

On this auspicious day, I would like to express my heartfelt gratitude to Shri Bhikhubhai Patel, the President of the BVM Alumni Association, Dr. Indrajit Patel, the Chairman, BVMAA, all the office bearers, Advisory Committee Members, Executive Committee Members, Life Members of the BVM Alumni Association and members of BVM and CVM family for providing unconditional support and guidance during the year 2019-20.

It gives me an immense pleasure to inform you that 1012 Life Members were added during the year 2019-20 with the active participation of our Database Team and the overwhelming support of our Alumni spread across the globe. Our membership till date has reached 11,967 - very close to 12,000 mark. We have developed a very dynamic interactive web portal www.bvmalumni.ac.in, which is a very vital platform in connecting alumni to BVM and finding Batch mates and knowing more about our BVM fraternity and establishing mutual support and alumni empowerment. Our web portal will boost up our membership growth due to ease of fee transfers through Payment Gateway and Data Validation. Our Data bank Team comprising of our active EC Members are working meticulously towards Data Validation and membership growth. All these, with the support of student volunteers and BVM Alumni Women's Wing.

I am extremely indebted to our alumni for extending their generosity towards BVM Endowment Fund of ₹ 6.20 crore contribution till March 31, 2020. The resource support of ₹ 5.57 lacs towards Scholarship / Gold Medals and Covid-19 Relief Fund depicts the true generosity of our alumni. The new bench mark of ₹ 75 crore was set for BVM Endowment Fund and on the festive eve of the Global BVM Platinum Jubilee Celebration in 2023 this generous contribution of our fraternity will be handed over to the management. This journey of raising resource for our Alma has now turned to a voyage. Shri Dhiren Kamdar (72M) had decided to share his wealth of ₹ 1.21 crore for the facelift of BVM old drawing hall (D Block) into a state of art facility for students. Shri Nitin Desai (64C), on the eve of Vallabh Vidyanagar Day Celebration on March 03, 2020 extended his contribution of ₹ 11.0 Lacs towards BVM Endowment Fund. These drops will one day create an ocean.

Felicitations of Dr. AM Naik by Team CVM & BVM fraternity

Larson & Toubro's Chairman Dr. AM Naik, an eminent alumnus of BVM, was conferred India's Second highest civilian award, the Padma Vibhushan - by the President of India, Shri Ram Nath Kovind, at the ceremony in the Rashtrapati Bhavan in New Delhi on March 16, 2019. It is decided to reform the policy for awarding prizes and Gold Medals, for which the members may note the following.

A letter is to be sent to all donors of Gold Medals and Prizes to enhance the seed amount to Rs. 2,00,000/- to continue the Gold Platted Medal and Rs. 1,00,000/- for Prize. Considering the amount given by the donor as seed money, the difference shall be payable by him/her, if the donor would like to retain the constituted Gold Medal/Prizes. This will hold good for 8 years (ie, two cycles of course). The Gold Medal will be distributed for 8 years from the date of receiving the money.

Looking into the money value, it is also suggested to club all the seed money of scholarships instituted before 1995. The donors will be contacted/informed regarding the same either through mails/website/letter. If the donor is not reachable, or not communicating within three months of flashing on web site this information, such amounts shall be merged to form a common fund to give merit Prizes to the topper of first to third level, from all branches.

Prof (Dr) A M Antani lauded the efforts of BVM Alumni team in raising the BVM Endowment Fund and requested to flood it as fast as possible under the mentorship of our President Dr CLPatel.

Dr S N Patel shared his moments of interaction with Shri Niranjanbhai Shah that culminated into building the resource support for 1.25 crore for BVM Workshop and Laboratories of Production and Mechanical Engineering Department.

Er Vinod Panchasra stressed on the fact that reunion of alumni has built a strong team and in coming years this team will surely contribute to Alma Mater in a big way.

Er Praful Jobanputra thanked the BVM faculty, staff, General Secretary, Ladies Representative and BVM Central Committee and the Vidyannagar Core Committee, for whole hearted support for the BVM Alumni Reunion – 17. He also thanked the alumni of Surat, Bombay and suggested to have Chapters of our Association in different cities.

Er V M Patel stated that the college has to widen the faculty base for research and he requested the faculty to register for the doctoral program. He also stressed a need to build a strong corpus fund through alumni

Er B M Vyas suggested that with a large base of alumni, one should build a corpus still higher than 20 crores through strategic planning and firm determination.

Er Narendra, of 1979 batch of Electrical Engineering stated that to enhance the participation of alumni the Ex- General Secretaries should be contacted and a class wise meeting should then be convened. This will enhance the participation of alumni in project work of students, research work of faculty and students and enhance the placement.

Dr C L Patel stated that our college was initially supported by the magnanimous support of Shri G D Birla and then after by large number of donors. Today the college gets 90% of the grant for its recurring expenses from Government of Gujarat and balance 10% of recurring expenses and the capital expenses are borne by CVM. About 500 scholarly students benefit at undergraduate level and we need to continue this act. The support of the alumni is thus the strong need. Dr C L Patel suggested the 1991 batch of alumni to come forward and support the renovation of BVM Auditorium. In his remarks he stated that BVM is the institute wherein we all have learned and we owe a lot to our Alma Mater. BVM Engineering College after the initial resource support from Shri G D Birla, is managing its recurring expenses through grants by Government of Gujarat (90%) and through the funding by Charutar Vidya Mandal (10%). 500 scholarly students get benefit of its undergraduate program and Charutar Vidya Mandal has to bear the 10% of recurring expense alongwith all the expenses for infrastructural needs of the college. If each of the 18,000 alumni support this good cause the mammoth task to reach 20 Crore BVM Endowment Fund will become a reality soon. He acknowledged the support of visionaries Shri Bhailalbhai Patel, Shri Bhikhabhai Patel, the founder donor Shri G D Birla, Dr Anil Naik, Er Ashok Patel, Er Kishor Virani, Er Niranjn Shah, Er Tulsibhai Tanti, Er Mehul Patel, Er Hasmukhbhai Patel of M/s Manibhai Shivabhai Patel, Er Dhirubhai Babaria, Er Maganbhai Patel, Er Vallabhbhai Patel and every single person who contributed for growth and development of BVM. Dr C L Patel congratulated Dr F S Umrigar and his team for obtaining the academic autonomy and gave him good wishes for all of his future endeavors.

Meeting ended with thanks to the chair.
