learning about the ways of the world.

## “अनुभव”

Experiences at your doorstep

Birla Vishvakarma Mahavidyalaya organized ANUBHAV, Experiences at your doorstep under the banner of BVM Talks, to bring together brilliant minds to share their stories and real life experiences which helped them to be the change they wished to see in the world on 15th & 16th May with two sessions per day, 11:00 AM -12:00 PM & 5:00 PM - 6:00 PM coordinated by BVM Central Committee. An enthusiastic panel of speakers had been invited to guide the students and to motivate them on their path of success.

BVM Talks has been successfully organized since 2 years in the college under the euphoric techno-cultural fest Udaan, inviting an impeccable and prestigious panel of speakers throughout the nation to teach and motivate the students and share their experiences. Last year it was an honor to have speakers like Harshvardhan Zala, Swati Bedekar, Deepak Gadhia and Shailesh Sagpariya at BVM. But due to the situation of lockdown raised by pandemic, with the same motto and spirit but with different medium, ANUBHAV was organized to encourage, actuate and impel in this situation, maintaining our values and keeping our goals in our minds

ANUBHAV connected an enormous amount of people to our speakers. Many well-known speakers from all over the country were invited for the event. The speakers who finally honored us with their presence were Mr. Anshul Sinha, Major D.P. Singh, Mrs. Subashri Natarajan and Mr. Kamlesh Darji from various domains of expertise.

The event was successfully completed with the help of college faculties led by our principal Dr. I.N. Patel with wholehearted support of Charutar Vidya Mandal. Around 650+ participants took the advantage of this event and even asked their questions to our esteemed speakers.

The overall idea behind his talk was emphasized on the perpetual thirst of making original content, having a strong reason for the work that he does and teaching the lesson of beating the odds by sheer dedication. The session ended with a thankful speech by Dr. B.C. Goradia.

Second session was full of energy and enthusiasm with our Nation Hero, Major D.P. Singh. Sir gave a wonderful speech on how the traumatic incidence in Kargil War changed his life completely and he took this as an opportunity to growth for stepping ahead instead of lamenting for things that had already happened. The overall speech was about how to see all the difficulties that come in your life as an opportunity, "□□ □□□□ □□ □□□".

The session was concluded with the thankful remarks by Prof. A.N. Bhavsar Sir
